Moaz Alnageeb

has completed the following course:

DESIGNING FOR A DIVERSE AND INCLUSIVE FUTURE
SAMSUNG

This online course explored the fundamentals of design thinking, focusing on diversity and inclusion. The course covered topics such as society-centred design, community and empathising. The need for blue sky thinking was discussed, along with the role technology can play as a social good when it is designed for and made available to everyone.

STUDY REQUIREMENT
2 weeks, 2 hours per week

LEARNING OUTCOMES
- Reflect on how diversity and inclusivity relates to you today.
- Compare and discuss diversity and inclusivity in the UK today.
- Identify and interpret opportunities and challenges when designing a future where learning is a lifestyle.
- Explore the opportunities that technology can bring when designing for a diverse and inclusive future.
- Understand the fundamentals of design thinking.
- Develop an understanding of the importance of empathy when design thinking.
- Develop a playful attitude to ideation in response to the proposition: Designing for a Diverse and Inclusive Future.

SYLLABUS
- An introduction to the course from Samsung, plus Samsung UK's POV on Diversity and Inclusivity.
- An in-depth critique on what's happening in Diversity and Inclusivity in the UK today.
- An example of a built solution and it's affect on Diversity and Inclusivity in the UK.
- An introduction to Design Thinking.
- Imagining what might be possible for society if technology is imbued within Diversity and Inclusivity.
- Using Empathetic Design Thinking to bring ideas to life.
