To whom it may concern

I am writing to confirm that Moaz Alnageeb served as a Teaching Assistant in the School of Computing and Mathematical Sciences. His contributions were integral to the successful delivery of the courses Database and Domain Modeling as well as Software Engineering and System Development.

Throughout his tenure, Moaz provided substantial support in various capacities. He was responsible for assisting with lab sessions, ensuring that students comprehended the complex concepts presented in the curriculum. Additionally, he offered further assistance to students outside of scheduled class hours, helping to address their individual queries and fostering a deeper understanding of the subject matter.

Moaz demonstrated exceptional dedication and skill in his role, contributing significantly to the academic growth of the students. His efforts have been highly appreciated by both the faculty and the students.

Should you require any further information regarding Moaz Alnageeb's role and performance, please do not hesitate to contact me.

Sincerely,

Aruleba
